FIREMEN COMPETE.

Volunteers Show Best Paces at Willow Grove.

Montgomery County Organization in 12th Annual Test—Ambler Has Bad Luck——Royersford Again Wins—Other Contests.

Montgomery county's firemen, before hundreds of admirers, won cheer after cheer Saturday as they demonstrated their ability in competitive fire-fighting tests at the twelfth annual demonstration of the Volunteer Firemen's Association of the county in Willow Grove.

Sixty-five citizen fire companies, representing 10,000 volunteers, at 3 o'clock manned their apparatus and paraded into the park, while the bands played and many residents of Montgomery county followed with waving pennants.

The Bryn Mawr Fire Company, established and maintained to a large extent by Samuel Vauclain, president of the Baldwin Locomotive Works, a resident of Bryn Mawr, was the first prize winner of the afternoon, when eight men of the company won the pumping contest in the record time of nineteen and three-quarter seconds.

The Bryn Mawr company was the speediest to pump water from the Willow Grove lake through four sections hose, 200 feet long using snap coupling. The winner of the pumping contest with screw coupling was the Friendship Hose, Hook and Ladder Company, of Royersford, with a time of seventeen and a quarter seconds.

The Ambler team, starting the test, failed to figure, a development of mechanical trouble preventing flow of water.

The hose laying contest, for the best speed in laying 200 feet of hose, from a fire plug to a frame hose, near the Willow Grove Park ball field, was the next event. It was won by the Weldon Fire Company in twenty and one-quarter seconds.

The McKinley Fire Company succeeded in carrying off first honors in the hose-laying and ladder contest, hooking up the hose to a fire plug laying it out and running it up a ladder to the roof of the frame house in 26 1-2 seconds.

The prizes, silver loving cups engraved with appropriate designs, were presented by the park management. After the demonstrations, the firemen many in bright colored and attractive uniforms gave themselves over to the less strenuous social features of the day's outing.

At a dinner given by the officers of the association and the demonstration committee, it was announced by Albert C. Livergood, the secretary, that at the monthly meeting of the firefighters' organization, next Saturday, an important innovation in the association's activities is to be proposed for approval, namely at schedule of sick and death benefits for the volunteers. A committee, he said, has been working on this project for some time.

AMBLER BEATS CONSHOHOCKEN.

Local Players Largely Responsible for Victory.

Opportune Hitting in the Third Inning Scores 10 Runs—Sharkey Has Three Hits—Kelly, a Three Bagger—Hard Games Ahead.

With a team made up partly of local players Ambler, last Saturday, sprung a surprise at Conshohocken. Martin was on the hill for the locals, while Kelly took care of first base. Robertson and Pearson were in the outfield while the remainder of the team was made up of McCarraher, Sharkey, Scanlon, Edwards and Johnson. After the dust had cleared away in the third inning Ambler had a lead of 11 to 5 score. This is the third win of the season for Ambler, and had the locals two weak teams to play on Labor day instead of Souderton and Doylestown there might be a possibility of crawling out of last place.

The locals hit the ball hard and at opportune times. Sharkey had three hits to his credit, while Pearson had a home run and Kelly a three-bagger. The latter hit his triple when the sacks were loaded. McCarraher played his usual good game at second Sharkey also played an important part in winning the game by getting three hits.

Martin held the Conshohocken team safe until the fifth period, when they scored three runs, and in the next two frames adding two more tallies, which was the best they could do.

The league season will close next Monday, Labor day and the schedule is: A. M., Souderton at Ambler, Doylestown at Chestnut Hill Conshohocken at Lansdale. P. M., Ambler at Doylestown, Lansdale at Souderton, Chestnut Hill at Conshohocken. Next Saturday will be an open date in the league and independent teams will be played.

Mc KINSTRYS MEET HERE.

Reunion in Ambler With Mrs. Sarah Weidner.

About 100 Members Enjoy Delightful Proceedings—Officers Elected and Plans for Next Year—Will Complete History—Sketch of Family.

The 26th annual reunion of the McKinstry clan was held last Thursday at the home of Mrs. Sarah Weidner, corner of Ridge and Forest avenues, Ambler. 100 members attended the event and spent a happy day indulging in tennis, quoits and baseball, while there were a number of beautiful vocal solos rendered by Miss Geraldine Weidner and Miss Helen Weikel. The address of welcome on behalf was delivered by Mrs. Ivy Weikel, daughter of the hostess, and in part is as follows: "Hello Folks. Howdedoo? Now our home belongs to you, our house and all that's in it. Make yourself at home each minute. If the temperature displeases take a couple of breezes; But if that should chill you later sit upon the radiator. If a hungry pang is twitching, Make a raid upon the kitchen. Help yourself to book or blotter, couch or easy rocker. All is yours that you like best. Your at home. Now welcome, guests."

The business meeting was held in the afternoon and in the election of officers Morton McKinstry, of Warrington, Bucks county, was chosen to succeed the late Wilson B. McKinstry, who died during the past year. Dr. Herbert McKinstry, of Kennett Square, Pa., was elected vice president, and Mrs. Gertrude Gheen, of Conshohocken, secretary. The next reunion will be held the last Thursday in next August at the home of the new president. Miss Mae Koehler, of Eureka, was elected historian, and during the coming year an effort will be made to complete the family history. All members of the family are urged to assist Miss Koehler in the work and are especially requested to send in a record of all births and deaths. Prayer was offered, in opening the meeting, by the Rev. A. K. Stuart, and short addresses were delivered by the Rev. Mr. Rickert and Dr. Herbert McKinstry.

A brief history of the family is as follows: The earliest ancestors of the McKinstry family known came to this country from the north of Ireland in the early part of the 17th century, having been driven here because of persecution on account of their attachment to the Protestant faith. The records now in hand are of Nathan McKinstry, and of whom many of the present members are direct descendants. Nathan McKinstry was born in Ireland in the year 1712 and came to this country, between the years of 1720 and 1740, settling in the township of New Britain near the line of Warrington, on a property long in the possession of his descendants. He was a member of the Neshaminy Presbyterian church and of which he was a trustee, having been elected in 1782. From the records of the burials in the cemetery adjoining the church Nathan McKinstry died April 15th, 1790 at the age of 78 years. The family Bible, which is in the possession of Mrs. Henry McKinstry, shows that there were four sons and two daughters of Nathan, and it appears that one son, Robert, who was born February 3rd, 1755, and who died July 25, 1834, at the age of 78, was the grandfather of many who were living at the time the first reunion was held in 1895, and of those surviving now he is the great-grandfather, while to others the great-great-grandfather. Robert's wife was Mary Weir, who died April 6th, 1864, at the age of 89 years. There were seven children born to Robert and Mary Weir McKinstry and they lived on the family estate at New Britain, later the property being tenanted by the son Robert, Jr., and the only daughter Jane. It also appears from the records that a brother to Mary Weir McKinstry married into the McKinstry family as well, becoming the husband of a sister of Robert, Sr., By this marriage the McKinsty and Weir families became united. Both Mary McKinstry Weir and her husband lived to the age of 87 years. A son of the latter couple, John Weir, served as a sergeant during 1777 and was in the regiment commanded by Col. John Lacy, of the Bucks County militia. The family is also related in like manner to the late General Ulysses S. Grant, formerly president of the United States. The McKinstry family has been noted for its attachment to the Protestant faith and most part to the Presbyterian church. Many of the members of the family for several generations have been associated with Neshaminy church, of Warwick, Bucks county. Three volcanos has been adopted as the family coat of arms and the "We give light, but do not consume."

Raid in Lansdale Lands 5 Prisoners.

A raid on a cigar store and pool room at 209 Main street, Lansdale, by Chief Kulp and Detective John Stevenson netted five prisoners and a nickle gambling machine, which was confiscated and brought to the office of the district attorney here.

Stevenson dropped a nickle in the slot, turned the crank and out came a dime.

"Well, you can spend the dime for chewing gum if you want to," allbied Mr. Ziff.

Get Names of 17,500 Dealers in Gasoline

About 17,500 dealers in gasoline at retail have been located throughout the State through the request of Auditor General Lewis to mercantile appraisers to send him names of persons or firms so engaged. This method of obtaining the names was worked out by Mr. Lewis some time ago and he figured it would not require any additional clerks. The lists of gasoline dealers in all but four counties have been gone over.

While the lists of dealers are being made up work is going forward on the regulations for the collection of the tax which will become effective on September 1. The reports, however, will not be called for until the following month. The form of reports will be determined upon shortly, together with the regulations.

Vare Takes New Residence.

Senator Vare has taken a handsome residence at 2013 South Broad street, Philadelphia, and from this residence he will vote at the fall primary and election.

Political wiseacres say the Senator acquired the new residence so he will not agani have the humiliating experience of being challenged as to his right to vote in the ward. It will be recalled that this experience happened several years ago, when independents challenged him at the downtown polling place, and it required the Registration Commissioners to decide that the Senator had a right to vote in that city.

Furnishings will be moved in from the Vare mansion at Ambler, and it is believed that the Senator and his family will spend the winter downtown.

County Socialist Ticket.

A Montgomery county ticket for Socialists has been filed, with Darlington Hoopes a younger lawyer of Worcester, seeking the office of Prothonotary. For Director of the Poor, the candidate is Ellen Winsor, of Haverford, and for Jury Commissioner, Thomas W. Fryer, a glassworker, of Royersford.

—The fine new house of Torris Thompsen, at Roslyn, is nearing completion and will be occupied before long.

Firestone

Again Reduces Price

Extra Size 30x3½ $16.65

Now $13.95

Firestone first made the low price of $13.95 on the Standard Non-Skid, May 2. Unusual purchasing power through big volume of business, and the great efficiency of its $7,000,000 Plant No. 2, manufacturing exclusively 30x3½ size, made this possible. Now, the production of the Extra-Size 30x3½ tire has been transferred to Plant No. 2. This permits the price reduction on this tire from $16.65 to $13.95. No such value has ever before been offered tire users. If your dealer hasn't the Extra-Size in stock ask for our Standard Non-Skid type at the same price. You will still be getting an unusual tire value.

Cords That Don't Blow Out

You feel secure on Firestone Cords. Because Firestone Cords don't blow out. Your repair man will tell you he hasn't seen a blowout this past year—10,000, 15,000 and 20,000 miles, and the tires still going strong. See your Firestone dealer today. Name below.

Firestone Cord Tires are being sold at lowest prices in cord tire history: 30x3½—$24.50 32x4—$46.30 34x4½—$54.90

Cheapening Womanhood.

Judge John Faber Miller, of Montgomery county, recently in a public speech made the ascertion that fifteen men and women, sans bathing togs, bathed in the Perkiomen near Pennsburg not long ago. The Judge coupled with this assertion some comments about women whose virtue was never so cheap as now, and the astonishing increase in the number of divorces.

No one who reads the daily accounts of immortality on the part of the rich and others, the absence of modesty shown in the style of clothing worn by women generally and at bathing resorts in particular, and the frequency of divorces on the ground of infidelity can escape the conclusion that there has been a weakening of moral fiber; or at least, that there is more boldness is exposing this weakness.

Whatever the cause, or however general the condition may be no one who thinks seriously about it can doubt this fact; that women are the principal losers through cheapening their virtues or their physical charms. Men may applaud them but they do not select them for their homes.

Why Women Are Required to Pay Taxes.

In some manner the impression has been created among the women tax payers that the 1921 legistlature was responsible for the taxing of women. May 1 take a little space to try to correct this wrong impression and to deny absolutely that either myself or any other member of the State Legislature of 1921 was in any way responsible. As a matter of fact there was no bill presented either to amend the present taxation laws or to tax women.

There is no law placed on the statute books by the present Legislature relating to taxing women.

The taxation of women comes about through the federal amendment to the United States constitution, known as the nineteenth amendment. When congress finally ratified the amendment giving to the women the right to vote and placing them on an equal basis as men, the Attorney General of Pennsylvania, who was the Wm. I. Shaffer, now Justice of the Supreme Court, handed down the decision that the Nineteenth Amendment automatically changed the law of 1844, which provides for the taxtion of men, to include also the taxation of women. It did not require any change by the State Legislature as State Laws are superseded by Federal Constitutional Amendments, according to the Attorney General's decision to Governor Sproul.

Thanking you for publishing the above, I am cordially yours,

HAROLD C. PIKE,
State Representative

Lansdale Manufacturers Withdraw Pledges.

Lansdale manufactures will withdraw their pledges to take electric light company bonds. The manufacturers subscribed about $35,000 toward the new equipment that has been ordered for the light plant. The equipment will cost, following installation, more than $50,000.

This means that council is "up against it" and will have to get busy in a hurry to re-market the certificates.

The manufacturers have decided to withdraw their pledges because they feel that council has "broken faith" with them and has not taken him into their confidence."

The decision to withdraw the pledges was made at a meeting of 11 manufacturers whose initial pledges total about $17,000.

Contractor Relieved.

At an adjourned meeting of Conshohocken town council the question of releasing William Tracey from his contract with the borough grading of West Eleventh avenue, was the main topic of discussion.

The borough solicitor stated that inasmuch as the Engineer was acting in his official capacity when he gave the information concerning the grade on the avenue and the amount of yards to be removed, it is his opinion that the contractor should not be bound to keep his contract when he was misinformed.

Therefore, council voted to release Tracey and to pay him $1.25 for each cubic yard of earth he had removed to date.

Chief of Police Ford last Saturday night, assisted by Corporal Shaver and Private Mowery, of the local state police, raided a house on Race street near Main and took in custody 12 patrons and Benjamin Runner, the alleged proprietor. At a hearing before Justice of the Peace Urban Officer Ford testified that the men, all of whom are colored, were engaged in "African Golf" which is better known as crap. Officer Ford also testified that Runner appeared to be the door tender, because when the police knocked at the door they were obliged to give the name of a well known crap shooter about town before admittance could be gained, and when they entered they fourfid Runner's guests all kneeling about a lamp, which had been placed on the floor, rolling the bones. Six of the patrons were discharged after paying a fine and cost amounting $13.50, and the other six spent the remainder of the night in the borough lock-up and were released after their friends had come to their rescure in the morning. Runner, the alleged proprietor, was held under $500 bail for his appearance for the next term of court. This is the first move made by the local police to clean up gambling places in Ambler. Officer Ford states that there are now two places conducted by white men that will be cleaned up next, and he states further that when these raids are made they will cause a sensation, as a number of prominent men about town will likely be taken into the police drag net. Officer Ford also said that these proprietors have had sufficient warning, which so far they have failed to heed.

Greenawalt Reunion.

An all-day reunion was held in Zeiber's Park, near West Point, on Wednesday, with more Greenawalts than usual in attendance.

After a noon-day meal the afternoon program was opened with music, and prayer was offered by Rev. J. G. Detrich, pastor of Boehm's church, Blue Bell. Greeting were extended by President William Frantz. Mrs. Findley Braden read the recording secretary's report, prefacing it with humorous remarks. In the absence of the corresponding secretary, Miss May A. Frantz, Mrs. Braden also read humorous letters from far away descendants. A particularly eloquent one consisted of a $5 note from Howard Detwiler, of Salem, Ohio, whose grandmother was a Montgomery county Greenawalt.

There were three deaths recorded in the necrology report, of former members of the association; Edgar Shimp, of Alliance, Ohio; Henry B. Greenawalt, of Mt. Gertna, and little Tacy M. Bernhard, oldest child of Mr. and Mrs. W. Leon Bernhard, Centre Square. In 1913 the latter was made Daughter of the P. of D. A., she being the first child born in the old Greenawalt homestead in twenty-seven years.

Three rousing cheers wer given for Charles Snyder Baker, the week old son of Mr. and Mrs. Howard L. Baker. This wee Greenawalt descendant is expected to attend the next reunion.

Master William Heebner Harr, "Billy," of Lansdale, splendidly read "New Yorkers Up to Date," and also gave his recent boyish experiences in a supper settlement camp.

"Old Black Joe" with original variations was rendered by Prof. W. A. Webb and both he and Rev. J. D. Detrich told stories.

Miss Dorothy Greenawalt, of Allentown, followed with humorous recitations entitled "A Chance Meeting" and "The Lilac Tree."

Prof. Findley Braden, of Doylestown, who last year gave Chautauqua lectures on a western circuit, by request spoke on "Glimpses of the Great Northwest." In closing he compared Horace Greeley's slogan, "Go west," young man, with the slogan of the present hour, Go and sell. But the best slogan of all is, "Go to work, young man."

The annual Sarah Frantz Rile memorial gifts were awarded to Christinia Clair Rorer, the youngest child; Mrs. Elizabeth Greenawalt, North Wales, the oldest lady descendant; William Frantz, the oldest gentleman; Earl C. Bernhard, Bethlehem, who came the fartherest to attend; Miss Mildred Bernhard, the latest school graduate, and Hiram A. Kreible, Centre Square, the oldest person present, he being yet under eighty. William H. Greenawalt, of Huntingdon Valley, represented the Shippensburg branch of the family.

All the former officers save one were re-elected. Miss Mary Greenawalt Bernhard, of Centre Square, was made corresponding secretary.

The Greenawalt, Frantz, Bernhard and Rile families are all descendants of John and Margaret Greenawalt, whose quiet lives were usefully spent together in the quaint old farm house below Centre Square. Many of these are now scattered from Pennsylvania to California.

An addition is being built to Belfry store. The new addition is being built to the northern portion and will add greater store space.

The township supervisors have resurfaced the Morris road north of the trolley tracks with crushed stone. This portion of the road as well as that below the point mentioned was almost unfit for travel, and while it belongs to the state it was considered one of the worst roads to travel over for both motor vehicles and teams.

It is reported that some of the growers here are asking 75 cents a basket for tomatoes.

George enlisted in June, 1918, shortly after reaching the age of 21 and he was assigned to the 57th regiment of engineers. Shortly after arriving in France he was stricken and died of pneumonia and was buried abroad with military honors.

Ohio Cows and Acclimated Horses Will Be Sold at Hotel Ambler, Ambler, Pa., on

Friday, Sept. 2, 1921.
at 1.30 P. M.

25 Ohio cows personally selected by myself. I drove from farm to farm and saw several hundred cows, but bought none but the best. This is no idle talk. I positively have the best load of cows that has been in Ambler for many a day.

2 big red Durhams, weigh 1450 and 1600 lbs.; several big roans and fine big Holsteins, 2 Guernseys and several real Jerseys, 5 big spotted cows, 15 fresh and the balance springers.

Everyone wanting cows, come and see this drove. As it is my first sale in Ambler I tried very hard to get the best, all young, good baggers and good teats, and size and weight.

When you're through you can get your money back for beef All tuberculin tested.

P. S. Will also sell fine Ohio horses, 1 fine mare and 8 weeks old colt, well broken mare, 4 good general purpose horses and 1 fast trotting mare, has a mark of 2.05 1-4, and can go race now. This is a good mare, always on the trot, pedigree on day of sale.

Everything to be sold for the high dollar.

TOWN TOPICS.

The American Legion, which has its headquarters over the Truman company salesrooms, "Gazette" building, is making some improvements thereto.

Mrs. Mary B. Yoder, who recently assisted in the Heiss stores, has secured a position in the Keasbey and Mattison company.

Mr. and Mrs. James Bernhard attended the Greenawalt family reunion at Zieber's park last Wednesday.

The regular monthly meeting of the Wissahickon Fire company will be held this Friday evening. A complete report of the Willow Grove contest will be presented among other business.

Dr. R. V. Mattison, who is spending the summer at Newport, R. I., made a recent trip to Thetford, Can., where he has extensive asbestos mines.

Health Officers Nicholson, of North Wales, was in Ambler last Wednesday on official business.

Joseph Reiner has resigned his position as foreman on the state highway department. Mr. Reiner was made a foreman to succeed A. R. Hayden on the Skippack pike job.

Ambler A. A won another twilight game last Wednesday evening from the Pelin team, of Germantown. Martin pitched, and he turned the Lutchers back by the score of 5 to 3. The game was well played, and there was a goodly crowd on hand to witness the contest.

A reliable, dependable, easy running, easy riding, economical in gasoline, oil and assuring long life to tires—such is the car you are looking for. I beg to call your attention to the Buick. Examine it critically, ask a Buick owner and let me demonstrate its many commendable features. —Rudolph Specht-hoffer, agent. adv

Local truck gardens are yielding lavishingly just now, due to the frequent rains, and as a consequence the prices of nearly all truck are low, and there is an abundance of everything, except fruit, at prices that are attractive for winter preserving. Housewives are securing sweet corn, tomatoes, lima beans, etc., in greater profusion, better quality and at lower prices than for several years, with a result that the preserve shelves of storage closets are again being filled for winter's needs. Farmers and hucksters find a ready sale of their truck at prices consistent with other market figures, and the curbstone stores from the well-laden wagons are again surrounded with buyers who appreciate the fresh-pulled and succulent delicacies from the local gardens.

In order to facilitate the delivery of mail by carriers and to remedy errors so far as possible, housekeepers are urged to see that their houses are numbered and that the numbers are maintained on the premises and the figures retained in their proper relative position. Mail receptacles or boxes are also most convenient for the carriers and safe for the mail matter. Such receptacles, in the form of a box or slot in the door, obviate the necessity of patrons responding to the carrier's call at inconvenient moments, permit the safe delivery of mail at all times, and contribute materially to the efficiency of the service. When not compelled to await a response to his ring, the carrier is enabled to cover his route more expeditiously and make prompter deliveries, especially to those residing near the end of his route. With a safe place in which to deposit the mail at all times the carrier is enabled to reduce to a minimum the amount of mail returned to the office because of the temporary absence of patrons or failure to get prompt response to his ring. No particular style or make of receptacle has been approved by the Department, and the postmaster and his subordinates are not permitted under any circumstances to act as agents in the sale of boxes.

Wm. J. Devine, superintendent for Dr. Mattison's building and farm operations, is completing the erection of a garage at the Haywood Manor Sanatorium. The structure is of very neat design, and will comfortably accommodate three cars. It is of hollow tile construction, concrete floor, water service contained, and the upper floor will be provided with several sleeping quarters for employes. The structure will shortly be completed.

Last week the contractors on the Springhouse and Chestnut Hill turnpike, Manwaring and Cummins, completed the sections at Lindenwold avenue, joining the two pieces of concrete roadway. Several other small sections of the highway between there and Springhouse remain to be completed, and the road will be opened the latter part of this month.

Wild carrots seem unusually abundant on local farms this season, especially where soil fertility has been allowed to deteriorate during the past few years. On other farms, which are well fertilized and more carefully cultivated, these weeds are fewer. Probably a corrective treatment may be found in a liberal coating of land lime; in fact, many farms hereabouts show the need of lime fertilization, which for the past 20 years has been a neglected application over the practice of farmers a generation ago, when the burning limekilns and the long strings of six and eight horses, tandem, drawing the huge wagons containing land lime were a most familiar sight on the roads, and the piles of lime in the fields waiting the work of spreading was also a sight which has now almost altogether passed away. A coating of lime on the fields every few years was a good agricultural application years ago, and the writer is old fashioned enough to believe a little more lime on the land at present would be a good thing for many local farms.

Vacation.

Sit and smoke, do sundry things,
In garden patch, as time takes wings,
Then stroll along the country roads
And find a charm in quaint abodes.

The city has no lure for me
With metric square, imprisoned tree.
Give me the stream, I love it more
Than human surges at the shore.

The work one does for fifty-weeks
Suggests the pleasure that one seeks
In contrast, Those who toil on farms
Enjoy the beach and city charms.

A Grateful Letter.

It is in trying conditions like that related below by Mrs. Geo. L. North of Naples, N. P., that proves the worth of Chamberlain's Colic and Diarrhoea Remedy. "Two years ago last summer" she says "our little boy had dysentery. At that time we were living in the country eight miles from a doctor. Our son was taken ill suddenly and was about the sickest child I ever saw. He was in terrible pain all the time and passed from one convulsion into another. I sent my husband for the doctor and after he was gone thought of a bottle of Chamberlain's Colic and Diarrhoea Remedy in the cupboard. I gave him some of it and he began to improve at once. By the time the doctor arrived he was out of danger." sep

Dr. Eisenberg, of Philadelphia, delivered the address. Music was furnished by Mrs. Cora Havens and Mrs. Osborne.

Chronic Catarrh.

Our manner of living makes us very susceptible to colds and a succession of colds causes chronic catarrh a loathsome disease with which it is estimated that ninety-five per cent of our adult population are afflicted. If you would avoid chronic catarrh you must avoid colds or having contracted a cold get rid of it as quickly as possible. Chamberlani's Cough Remedy is highly recommended as a cure for colds and can be depended upon. sep

New License Ruling Given to Treasurer

Liquor license holders throughout the county will have to pay their license fees in one lump sum in the future according to orders received from the Attorney General's Department, Harrisburg, at the County Treasurer's office. Heretofore the liquor licenses were paid in monthly installments. The new law goes into effect at once. The opinion is as follows:

"The Attorney General has rendered an opinion that the Act of 1921 does not relate in the remotest degree to the Act of July 30, 1897, imposing an additional license fee to be collected for the use of the Commonwealth. The additional license fee for the use of the Commonwealth of $50.00 in third class cities and in boroughs, and $25.00 in townships is to be collected in one lump sum the same as heretofore."

A two-ton truck belonging to A. K. Shearer & Sons, of North Wales, was struck by a north bound trolley car at the intersection of Township line road and the pike last Thursday evening. The impact great enough to turn the truck, which was loaded with 1500 feet of lumber, completely over, pinning the driver beneath it. The driver of the truck was Harry Barker, and fortunately for him he was thrown under the load in such a manner as to escape serious injuries. However, it is stated that he has sustained a dislocated shoulder blade and a number of bruises and cuts about the body. The truck was returning from Glenside when the accident happened. The next morning, it is reported that while the truck was being reloaded it was run into by another truck loaded with hay and badly damaged. Local residents say that a number of motor men are guilty of reckless running while passing the Township line road and Montgomery avenue, as very seldom is the whistle sounded as a warning of the approach of the car, and as a result there have been a number of near accidents.
